FARM

NEWSLETTER

Autumn 2012

LATEST NEWS

Hello, and welcome to our latest newsletter. As you can imagine the weather conditions have not been very kind to farmers with all the wet weather we have been having. We just managed to get all the corn cut and straw baled. Although not all of the grass and no crops have been planted this Autumn. There is good news for the cattle though. We have just started work on a new shed to house the cows and calves through the winter months, so they have that to look forward to in Autumn 2013.

Work is nearly complete on some recent works that have been taking place in the butchery. We have out grown our fridge that was fitted when we started back in 2006. Our existing premises have expanded to now include a new fridge, walk in freezer and a storage area. This is all making things a lot easier.

Thank you to those that have already placed their Christmas order there will be a £10.00 voucher included with you Christmas bird or hamper order to spend with us in January!

Other news

New look website...

If you have not already done so take the opportunity to order your Christmas turkey and have a look around our new website, lots of pictures and interesting facts about the farm to be found. There is still one photo to go on—our family, but a photograph of our son smiling has proved hard! Maybe the thought of Christmas might see the perfect smile.

Football...

Last year we sponsored Welland Juniors under 12 Football team when they moved into the Ambassador Evesham Football League. After an unbeaten season they moved into Pool A to start the Under 13 year. They have already had an impressive start this season (must be the shirts!) - here's to another successful year to Andrew Smith and his team.

Courses at the Farm

Following the success of our courses at the farm we are now taking bookings for sausage courses in 2013

Friday 25th January or
Friday 1st March

An ideal Christmas Present!

Start the evening with a drink and nibbles in the farmhouse kitchen, then into the butchery for a brief introduction to pork and where the cuts for sausages come from then having a go at creating and making your ideal sausage for you to take away and try. Finishing off with a tasting of our own sausages.

Butchery Demonstrations and Talks

Interested in Local Food ? Book a Sausage Making Demonstration!

If your WI, local group or society or event is looking for an interesting and informal speaker, please contact Rob 01684 593 411
